3. The balance of changes in income and expenditures of the state budget related to changes in wholesale and retail prices, changes in rates of exchange, and systems changes amounts to	1,134,800,000
4. The budget deficit at the end of the year is	269,617,789
5. The budget deficit will be covered by credit from the Polish National Bank granted to the Minister of Finance.	
6. In the course of implementation of the state budget, if it is discovered that the size of the deficit discussed in Paragraph 4 is being exceeded, the Council of Ministers will act to increase income and will execute appropriate cuts in budget expenditures. In this event, after consulting with the appropriate Sejm commission, the Council of Ministers is also authorized to alter as necessary the funding granted to local budgets.	
7. The income of budget-financed units, auxiliary economic units, special funds, special-purpose funds, and the funds of state organizational units whose financial operations are conducted according to the principles set down in Article 13 of the law dated 3 December 1984, Budget Law (DZIENNIK USTAW No 56, Item 283; 1985, No 59, Item 296; 1986, No 42, Item 202; and 1987, No 33, Item 181), and included in the state budget amounts to 3,758,151,469,000 zlotys, including a budget-financed subsidy of	

797,517,590,000 zlotys, and expenditures amount to 3,619,545,265,000 zlotys, including a surplus of 2,577,060,000 zlotys, to be transferred to the budget.

Article 2.1. In the realm of the central budget, the following figures are set (in thousands of zlotys):

Income	4,474,355,326
Expenditures	5,878,773,115
Reserves of the Council of Ministers	40,000,000

according to the itemized list in Appendix No 1.

2. The Council of Ministers is authorized ultimately to adapt income and expenditures of top-level and central bodies of the state administration involved in organizational changes to the particular scope of their tasks and regulatory statutes.

3. Income of budget-financed units, subsidiary units, special-purpose funds, special funds, and state economic organizations which conduct their financial operations according to the principles set down in Article 13 of the Budget Law, which are included in the central budget, amounts to 3,207,575,242,000, including a budget-financed subsidy of 551,896,828,000, and the expenditures amount to 2,971,108,588,000 zlotys, including a surplus of 1,902,715,000 zlotys to be transferred to the budget.

Article 3.1. The following figures are set for the local budgets for the year 1988 (in thousands of zlotys):

Shares of central budget income established as a percentage of the value of retail sales of goods and services by units of the socialized economy included in the central and local plan, as listed in Appendix No 2, amount to	357,318,150,000
---	-----------------

Total subsidies	410,385,737
Special-purpose subsidies	3,615,000

2. In 1988, no figures are set for income to fund local budgets or for the central budget's share of voivodship budget income included in the national socioeconomic plan for 1986-1990.

3. Appendix No 2 specifies the amounts of the voivodships' direct budget income coming from their share of central budget income, serving as the basis for the clearing of accounts mentioned in Article 21 of the budget law.

Article 4.1. The product subsidies established for state enterprises and cooperative organizations to finance production of goods and services totals 1,590,119,396,000 zlotys.

2. The Council of Ministers is authorized to increase, for important social or economic reasons, the amount specified in Paragraph 1, provided that the increase does not augment the budget deficit mentioned in Article 1, Paragraph 4.

3. The Council of Ministers will determine the goods and services that will be subsidized.

4. The Minister of Finance

- 1) will establish the subsidy rate for the goods and services mentioned in Paragraph 3,**
- 2) may make in appropriate parts of the budget those changes in subsidies within the framework of the overall amount provided for in the provisions of Paragraphs 1 and 2.**

Article 5. In 1988, Article 27, Paragraphs 4-7, of the law dated 23 October 1987 on the creation of a Hard Coal Company (DZIENNIK USTAW No 33, Item 183) do not apply.

Article 6. Subsidies for cooperative units of the agricultural economy are set at the level specified in Appendix No 1, for the purposes determined by the Minister of Finance in agreement with the Minister of Agriculture, Forestry, and Food Industries.

Article 7.1. Subsidies are established to finance biological progress in agriculture, according to Appendix No 1, for the purposes specified by the Minister of Agriculture, Forestry, and Food Industries.

2. The Minister of Agriculture, Forestry, and Food Industries will specify the principles and manner by which subsidies are allocated.

Article 8. Subsidies for cooperative housing units are set at the amount specified in Appendix No 1 for purposes related to maintaining cooperative housing resources.

Article 9. Employment slots are established in keeping with Appendices 3-5 for the following:

the state administration included in the central budget,

the state administration included in local budgets,

the administration of justice and the prosecutor's office.

Article 10. The voivodship people's councils may transfer some sources of their own income to those basic level people's councils in which improvement is needed in the extent to which expenditures are met out of direct income.

Article 11. The people's councils may authorize their presidiums to transfer bank credit from one section or allocation to another. The transfer of credit between sections requires prior review by the commission appropriate to handle budget matters. The commission appropriate to handle budget matters is informed of any transfer of credit from one allocation to another.

Article 12.1. Units of the socialized economy, including socialized units of foreign trade and companies with the right to conduct trade which are obligated to pay income tax, according to the law dated 26 July 1982 on the taxation of units of the socialized economy (DZIENNIK USTAW 1987, No 12, Item 77), pay a tax amounting to 65 percent of the taxable base.

2. After exemptions are taken into account, the income tax discussed in Article 49 of the law mentioned in Paragraph 1, may not be less than 40 percent of the taxable base.

Article 13. Article 6, Paragraph 2, Point 2 of the Agricultural Tax Law, dated 15 October 1984 (DZIENNIK USTAW, No 42, Item 268; and 1986, No 46, Item 225) reads as follows:

"2) in 1986, 1987, and 1988: 2 quintals of rye per hectare equivalent."

Article 14. In the law dated 23 December 1985 on the Foreign Debt Service Fund (DZIENNIK USTAW No 59, Item 296), in Article 2, Paragraph 1, Point 1 the words "up to 2 percent of the net value of fixed assets" are replaced by the words "up to 5 percent of the net value of fixed assets owned."

Article 15. The law is effective the day of its promulgation with force retroactive to 1 January 1988.

Acting Chairman of the Council of State: K. Karcikowski
Secretary of the Council of State: Z. Surowiec
